

# We want your opinion ...

As the national association that represents Canada's premier foot practitioners, we're always looking to improve and enhance. Therefore, we'd appreciate your responses to the following questions:

1. Would you like to see the CPMA put on a national conference each year?  
 Yes       No
2. What benefits would you like your national association to provide?
3. What national issues should the CPMA be addressing for podiatrists?
4. What CPMA benefits do you find most beneficial?
5. Do you receive the association's newsletter?  
 Yes       No

6. Are you interested in submitting articles or ideas for upcoming issues of the newsletter?

Yes       No

7. What other potential areas of CPMA communication would you see as beneficial to members (e.g. eblasts, Twitter, weblogs, Facebook page, etc.)?
